

How your donation makes a difference

RIPPLE Africa is all about empowering communities in the Nkhata Bay District in Malawi to achieve a sustainable future by providing a hand UP, not a hand out. We run numerous environment and education projects and support healthcare facilities. This is how your support makes a difference. Thank you.

£5 a month provides a child with a meal of sweet potato and tea

£6 a month sends a student to day secondary school

£10 a month gives an adult the opportunity to attend adult literacy classes

£15 a month protects an amazing 5,000 chambo fish per month through our Fish Conservation project

£20 a month enables our fuel-efficient stove team to train and support local women to build cookstoves

£30 a month protects an incredible 25,000 trees per month through our Forest Conservation project
