

# Change for Change

## Send a Student to School

It's simple. Your change will support RIPPLE Africa's Scholarship Scheme.

We support over 80 students to attend secondary school, giving them the best chance to complete their education and have a brighter future.

By emptying your pockets of that loose change, you're taking part in giving the amazing gift of education to underprivileged teenagers living in rural villages in Northern Malawi. See how much loose change you can collect, everyone of any age can support this campaign.
